**JoVE (Journal of Visualised Experiments) – Take Advantage of 10th Celebration - Participate in the competition**

**JoVE (Journal of Visualised Experiments)** celebrates this year **10 years of existence**. In 2006 it became the first video-reviewed scholarly journal and is indexed e.g. in PubMed / Medline, ChemAbstracts, SciFinder and Scopus. The current impact factor is 1.1.

As a thank JoVE prepared for this year's the series of competitions and news and made available the most watched video.

**You too can take part in competitions!** More information is available from the leaflets [here](http://www.aip.cz/produkty/881-lww-journal-definitive-archive/).

**History of JoVE in 4 minutes:**
- 10 years – important milestones of JoVE in short [video](http://www.aip.cz/produkty/881-lww-journal-definitive-archive/).

**Top 10 videos:**
- Free available [top 10 videos](http://www.aip.cz/produkty/881-lww-journal-definitive-archive/)

**User manual in Czech language:**

**Contest which you can participate in:**

Opportunity for scientists to win a cash prize for a short video. Do not miss... you can participate:

- **Film Your Research** (for scientists from academic institutions, financial reward for creative short video depicting a scientific experiment). Promotional poster can be downloaded [here](http://www.aip.cz/produkty/881-lww-journal-definitive-archive/).
- **JoVE’s Faculty Science Lab Challenge** (for university teachers, more info will follow on 8/2017)
